Ironridge Flat Roof Attachment system

Re: Ironridge Flat Roof Attachment System: Mounting Plate and Membrane Vacuum Form

This letter shall serve as a statement of compatibility between the Ironridge Flat Roof Attachment system and the PVC or KEE HP roof membrane supplied by Carlisle Construction Materials under the brand name of Sure-Flex which is supplied by Carlisle SynTec Systems.

Installation of the Ironridge Flat Roof Attachment system will not impact or void any Carlisle SynTec Systems issued warranty provided the installation is completed by the Carlisle authorized contractor that installed the initial roof system assembly.

Please note that the Ironridge Flat Roof Attachment system is not included as part of the Carlisle roof system warranty as it is not a product that is manufactured by or sold as a Carlisle SynTec Systems component. Any leaks that result to the roof system assembly as a result of the photovoltaic overburden are not covered by the terms and conditions of any Carlisle warranty.

If you have any questions or require additional assistance, please feel free to contact us.

Sincerely,

A handwritten signature in black ink that reads "John C. Greko". The signature is written in a cursive style with a large, stylized "J" and "G".

John C. Greko

PVC Product Manager

Carlisle SynTec Systems, a division of Carlisle Construction Materials

Re: Ironridge Flat Roof Attachment System: Mounting Plate and Membrane Vacuum Form

The Ironridge anchor system referenced above is not produced or marketed as a Carlisle product. This product can be installed on a Carlisle warranted Sure-Weld TPO roof system assembly however, it is important to note that the performance and watertight integrity of this product is not covered by the Carlisle warranty, nor is the weld between the Ironridge anchor and the membrane. Leaks that may occur as a result of the installation of this product are the sole responsibility of the building owner.

Please contact Carlisle Project Review at 888-797-8370 with any further questions.

Best Regards,

A handwritten signature in black ink, appearing to read "AB".

Adam Burzynski
