Subject: Ironridge Flat Roof Solar Anchor System

To Whom It May Concern:

This letter shall serve as a statement of compatibility between Johns Manville's (JM) water proofing membrane products and Ironridge Flat Roof Attachments, when selection of similar base material are utilized; example - JM TPO membrane with Ironridge Flat Roof Attachment made with TPO flashing. The similar chemistry of the membrane and flashing will have no adverse effect resulting in accelerated degradation.

Installation of the Ironridge Flat Roof Attachment system product will not void JM's issued warranty, provided it is installed by an approved JM roofing contractor. Prior to installing any photovoltaic energy system on a JM guaranteed roof system, and to ensure continued guarantee coverage, the required information and process outlined in the Johns Manville Peak Advantage Guarantee "Photovoltaic Overburden Additions on JM Guarantee Roof System" must be complete. This outline may be found on www.JM.com via the following link: https://www.jm.com/content/dam/jm/global/en/commercial-roofing/Guarantees-Warranties/Guarantee%20Guidelines_PV_Overburden_FORM.pdf

If you have any additional questions, please contact me at 303-978-2508.

Sincerely,

Eric Olson
Guarantee Services Manager
Johns Manville

Johns Manville is a manufacturer of commercial roofing products and offers this general conceptual information to you as a courtesy. This complimentary assistance is not to be used or relied upon by anyone as a substitute for professional engineering design or documentation required by building code, contract or applicable law. By accepting these comments you agree they do not constitute any representations, endorsements of, or an assumption by Johns Manville of any liability for either the adequacy of the design of this building or of any material not supplied by Johns Manville. These comments are for Johns Manville Guarantee purposes only. Additional requirements may be necessary as determined by contract documents, building code and regulations, or governing entity.
